## Chapter 1 by Rîhêm Dabbòus

On a sunny day , i opened my eyes, a new curse was born that's what my mother said.I was just a child thinking of changing the world and everything even my silly name Molein , you may think i am exaggerate but believe me i am not.I wondered why i had such a name .I asked my grandmother and guess what she said "Oh,my dear little boy, every curse had a name".I smiled back what could i do , i am just a little slim boy with four fingers and a big ugly mole on my nose.Everybody in this small town mocked me day and night , only one ; a big fat girl .she never laughed when everybody does.she never mocked me when everybody does.I wondered why !Until she approached me and whispered in my ear , would you like to go to Neverland?
